

# 4 New Paintings from Lee Self

## Sebring Corvettes

The #3 Corvette snapped at the heels of a pair of factory Porsches, finally siezing the lead in the final hour. When the checkered flag fell, they had scored the first Sebring 12 hour win for the C7.R.

Corvette Racing's efforts have been captured by motorsports artist Lee Self, known fan of the yellow cars.

Were you there? Wish you had been? Relive the day with digital prints of these paintings. Now available.
